A small harbor utilized to the maximum provides Camden, Maine with a centerpiece unsurpassed for interest. This is the home port of the old schooners which have become the focus of many "barefoot" sailing vacations. Monday morning is the time to watch the graceful old craft take to the sea with new faces eager for the old way of travel. The tourists become an important cog in the machinery of sail as they man the lines. The big old boats are snaked through the crowded waterway using tenders as tugs and when they reach the outer harbor the sails climb the mast and fill. The schooners on

the cover are sitting on the bottom at low tide grounded because their centerboards allow them to do so.

Camden Park forms an amphitheater to overlook the water activity and people board the schooners via float walkways that thrust out from the park and the docks beyond. This makes it possible to walk all over the harbor. Tied to the walkway floats are dozens of small craft which make them readily accessible to their owners. On page 2 we took this photo from the center of the

New Appeals Board Member

MATTAPOISETT SELECTMEN'S MEETING
SEPTEMBER 18, 1990-by VIRGINIA MORGAN

Three persons were interviewed last Tuesday to fill an unexpired term on the Board of Appeals. Robert Bertrand was appointed as a full member to complete the unexpired term of Alan Apperson, April 4, 1991. Mr. Apperson resigned, effective September 30, 1990. Mr. Bertrand's term will become effective October 1, 1990.

Selectmen Chairman John DeCosta explained two associate members are still needed. Thos interested should submit a resume to the selectmen's office.

Assisting the selectmen in the interviews was Kerry Shortle, acting chairman of the appeals board. She stressed the need to have someone who feels comfortable writing decisions and who can attend most of the meetings. The applicants were told there would be hearings the third Thursday of each month, some hearings lasting until midnight. There would also be at least two other meetings during the month discussing decisions.

Selectman Daniel O. Mahoney said he would like to see the applicants send resumes and felt an interest in real estate and a business background would both be helpful.

Mr. Bertrand, owner of New England Weather Guard, Inc., lives at 4 Bertrand Lane, and expressed a willingness to serve

on the board of appeals. He said he had no problem with the meeting nights. Mr. Bertrand taught five years at Old Rochester Regional High School in the automotive department before he went into business for himself.

The other two applicants present were Barry Perkins and Wayne Nichols, but information about specific dates, times and other commitments precluded their full participation.

A fourth applicant, Robert Francis, was unable to attend the interview because of illness. He did express by mail an interest only in the full member slot.

Mr. DeCosta explained there is a five-member full board, making it necessary to conduct hearings with a five member panel, and having to draw on the associates when regular members are not available. It is possible to conduct hearings with four members, but a five-member panel could break a tie vote.

At the present time members include: Kerry Shortle, Warren Thompson, Jeffrey Chase, William Armitage (appointed full member from associate member last week) and newly appointed Robert Bertrand. Associate members include James Joaquin,

Mr. Mahoney said he had met with Planning Board Chairman William Matthews and Manuel Luiz, owner of Greenbough Drive, developer, to discuss the conditions of the road which have deteriorated to such an extent several homeowners attended a selectmen's meeting recently to complain of its condition.

Mr. Mahoney said Mr. Luiz offered the town two lots at the end of the road; "we are now seeking the description and survey by Arthur Thompson, engineer. One of the homeowners, Mark Robert of 3 Greenbough Drive, has a $2,000 promissory note from Manuel Luiz to work on the road which Mr. Robert is willing to turn over to the town on the condition the road is brought up to grade. Luiz. Combined with the $2,000 note, the town would have $7,000 to work on the road. Mr. Mahoney noted Wesley N. Bowman, highway surveyor, had explained earlier that $35,000 would be needed to bring the road up to grade. Selectmen will check ownership of the road before work is started.

DENIED PERMISSION to an anonymous person to land a helicopter at Ned's Point as a surprise birthday gift for their son. The permission was denied because of safety reasons and liability to the town. The person had asked first for Shipyard Park which Executive Secretary Carol Adams said no to for obvious safety reasons.

DISCUSSED QUESTION FIVE that will be on the November ballot designed to bring 40 percent of state taxes home to the community.

Mr. Mahoney said this question hasn't received much publicity but it will protect cities and towns if question 3 passes. If question 3 passes a big cut will be local aid. This question 5, if passed, will be a safety net for the towns. The selectmen hope people will pass question 5.

URGENT NOTICE

ATTENTION:

All Blue Cross & Medex Subscribers

Effective January 1, 1991, Blue Cross & Blue Shield of Massachusetts (BCBSM) plans to replace your present local Pharmacy Prescription Benefits with a mail-order pharmacy plan, chosen by them, to supply all of your basic prescription needs. You will, thereafter, be urged to order your prescription drugs from this mail-order pharmacy. By doing so, BCBSM hopes to cut their operating costs with no regard for the welfare of their subscribers.

In our opinion, there are many disadvantages in having to mail away to an out-of-state prescription pharmacy service. Delays in receiving your medications not only cause personal inconvenience, the difference in temperatures during shipping could seriously affect the potency of your medication, If you buy prescription drugs through the mail, the potential for errors in these assembly-line, mail-order dispensing operations is enormous. The United States Congress was concerned enough to hold hearings on this matter and one consumer from Virginia testified that she was a victim of a potentially deadly mail-order drug mix-up. If Blue Cross succeeds, your prescriptions will now be filled by one of many minimally trained technicians who are "supposedly" supervised by a pharmacist.

The MASSACHUSETTS STATE PHARMACEUTICAL ASSOCIATION is doing everything possible to ensure that all of you retain the freedom of choice to purchase prescriptions wherever you so choose. Freedom of Choice remains one of our country's most basic values as described in the Bill of Rights! We encourage you to demand that Blue Cross not deny you that right. As a BCBSM subscriber, your input is extremely important right **NOW!** If you value the role that your local pharmacy plays in your health care, we urge you to let Blue Cross & Blue Shield of Massachusetts know your feelings.

We ask you to:

1. Fill out and sign the post card we have provided on our counters. We will mail it for you to BCBSM.
2. Express your displeasure to your employer and/or the person who handles your Blue Cross or Medex plan.
3. Call or write your area Representatives and Senators and voice your opinion. This is an election year and the candidates are listening!!!*

WELD & SILBER WINNERS-MATTAPOISETT

The overwhelming majority votes for the winners of the gubernatorial race were also the majority votes in Mattapoisett's September 18th state primary election. William F. Weld, the Republican candidate for Governor, had 396 votes over Steven D. Pierce with 279. The Democratic candidate John Silber received 613 votes, as opposed to 350 for Francis X. Bellotti and 21 for Evelyn Murphy (Murphy had dropped out of the race but her name was already listed on the ballot.)

Mattapoisett Town Clerk Lois K. Ennis said, "This was a great turnout - four percent higher than any previous primary election. A total of 1,692 voted -- 44 percent of registered voters. There were 1,009 voting on the Democratic ballot and

683 on the Republican ballot."

Ms. Ennis said, "The changes voters made before the election in their party affiliation were not that unusual. But, what was very different was the number of voters who changed their party affiliation after the voting. We had a table where voters could make these changes, and the number of changes were 792, almost 50% of the number who voted. Twelve were changed to another particular party and 780 were changed to independent. This is an increase from the usual 25 percent to almost 50 percent this year."

INTO FAMILY EYE CARE

Can any glasses be used for sports?

Not really. If the sport is passive, such as golf, or fishing there is no problem at all in using your regular prescription glasses. But, an active sport, such as basketball, football, racketball and tennis require protective eyewear. I think most everyone is unaware of the number of people who suffer eye injuries and, frequently, permanent damage to their eyes while playing sports. The sad part is that these injuries could have been prevented if these people had been wearing protective eyewear.

If you are currently wearing glasses and do play a sport, your optician can fit you with a sports goggle which would have the same prescription lenses as your glasses. These lenses, however, will be made of polycarbonate, a material which is unbreakable.

The play, set in a state mental hospital in the Pacific northwest, is a compelling drama of the often unknown aspects of an institution staffed by overworked or power-hungry medical staff who oftentimes manipulate the patients to attain their individual goals. The drama unfolds and leads the audience through the torment of the individual patients, the overwrought attendants and physicians and the domineering nurse who actually controls all aspects of the institution's ward. These different personalities play out their roles, building to the play's dramatic and powerful conclusion.

ing the parts of the leads, Nurse Ratched and patient Randle P. McMurphy, are Anne Schenck and Christopher LeBlanc. A talented assembly of area actors completes the production's cast.

Letters to the Editor

I find it ironic that our Governor travels to Europe to drum up business for the Commonwealth while the state employees are encouraged to purchase their prescriptions from Pennsylvania.

This action has set a dangerous precedent.

Currently Blue Cross is setting up a plan to offer mail order prescription service to Medex subscribers at a facility in New Jersey.

Is it in the interest of so-called cost containment to further erode the tax base of the Commonwealth by sending hundreds of millions of dollars of prescription purchases out of the state?

My supplier services over 400 pharmacies in this area and 2000 nationally, yet they pay far more for drugs then do mail order houses, HMOs (health maintenance organizations) even other countries. The consumer is the ultimate victim of this multi-tiered discriminatory pricing practice of manufacturerers. The general public is victimized by higher prescription prices, higher insurance premiums and higher taxes due to higher medicaid costs.

Once again, special interest groups are benefiting at the expense of the populace.

Congress should subpoena the manufacturers for the information necessary to conduct a comprehensive investigation into their pricing practices.

LETTER TO THE EDITOR

On Thursday, September 13, a Mattapoisett police officer came to our house and informed my husband that he was wanted at the Acushnet Police Station.

He called the station to inquire about the problem and was told they could not tell him.

When we arrived, the officer explained that trash belonging to us was found in the parking lot across from the Acushnet Company along the river's edge. Advertisements bearing my husband's name and address were found in the trash.

Needless to say we were shocked. We could not imagine how it got there.

The officer agreed that we did not look like the kind of people who would do such a thing.

He said, "Here's the sad part. Your name was there, so you have to clean it up. You'll need some barrels or large bags and you might have to go into the water for some of it, as it was scattered down the embankment."

We are in our seventies and are not in good health, but we cleaned it up.

There was not only our trash, which represented the two barrels that were to be collected that day, but also trash belonging to three or four other families, including baby diapers and slimy garbage.

We filled nine large plastic bags.

When we returned to Mattapoisett, the trash on our street had not yet been collected. Our barrels were missing from in front of the house. My husband had put them out the night before. We hadn't noticed this when we left as we were too upset.

I called the Acushnet police to tell them

I thought we might have received an apology but we didn't.

We have three children who are very angry for what we went through.

We've learned a lesson from this. Never put barrels out at night, and never dispose of anything with our name on it.

O.R.R. Gridiron Club

During the last week of August, while the O.R.R. Bulldogs were attending their football camp, "gearing up" for the coming football season, members of the Gridiron Club were also busy getting ready for the fall schedule.

In those dog days of August, club members gathered in the high school kitchen to prepare and serve a nutritious supper for the players. All the food was bought by the club except for Thursday night pizza donated by The Wave in Marion. Many thanks to them for their generosity. It was undoubtedly the players' favorite.

Bumper stickers were given to the players along with a sponsor sheet. Team members were asked to solicit 5 sponsors. For a $5.00 donation a sponsor is listed in the football program book and receives a bumper sticker. Many thanks to all who sponsored.

All money generated by the club, whether through boys collecting sponsors for the program book or the bench-a-thon, the concession stand, program book sales, hat and pennant sales or 50/50 raffle tickets, is channeled back to O.R.R. athletics.

A new video camera was recently purchased. A club member will film all home and away games for the coaching staff and players to view. Also, a portable black-

MASS SCHEDULE; Saturday, 4:30 p.m.; Sunday, 8:00, 9:30 and 11:00 a.m.; Daily, 8:00 a.m.

RESPECT LIFE SUNDAY:

In 1½ weeks, on Sunday, October 7th, Catholic churches throughout the United States will observe Respect Life! Sunday. For over a decade, the bishops of our country have set aside the first Sunday of October as a day of prayer, that all Catholics and persons of goodwill might strengthen their conviction that human life is sacred at each and every stage.

This year, parishioners from the Diocese of Fall River are asked to manifest that conviction publicly by joining Bernard Cardinal Law and thousands of others for the annual Respect Life! Walk in the city of Boston on Sunday afternoon, October 7th.

This 3½-mile walk will strengthen the solidarity and energize the spirit of all who are concerned about the erosion of the sacred character of human life, while providing a visible and hard-to-ignore public statement about that conviction.

Please consider joining us. Bus transportation to and from Boston has been arranged to facilitate your participation.

Here is an opportunity for us to engage in positive Catholic action and become a "people who will yield a rich harvest for the Kingdom of God." Thank you for your attention, please join us on October 7th, and let us all pray for increased re-

INITIATION INQUIRY GROUP

We are hoping to have an informal gathering of people interested in learning more about the Catholic Church. This may develop (but need not) into a more formal process of becoming a Roman Catholic. If you or if someone you know is interested to learn more, please see or call Fr. Wall or Fr. Costello. No commitment is necessary, this is just an opportunity to meet with members of the Church and to learn what we believe.

Support Group for Bereaved

A bereavement support group for those who have lost a loved one in death is planned by the area Hospice, according to bereavement coordinator Jill Cockrell. The group will meet Thursday mornings from 10:30 to noon at Wareham's First Congregational Church, starting Thursday, October 4th.

Ms. Cockrell notes that the purpose of the group is to allow people who are grieving a loss a chance to share with others the feelings -- sadness, anger, grief, guilt, pain -- that often accompany the death of a loved one. The group will explore ways to resolve these feelings and to cope with the emptiness in their lives.

An eight-week schedule is planned, and a nominal fee will be charged to help defray the costs. Pre-registration is necessary, either by stopping by the Hospice office at 166 Main Street, Wareham, or by phone to Jill Cockrell at 295-8545.

Hospice Fund Drive

TOPS GOAL FOR 1990

The 1990 Annual Giving Campaign of the area Hospice topped 105% of its goal, according to Hugh O'Brien of East Wareham, director of fund-raising for the local organization. With a goal of $22,000 the drive raised more than $23,000, about 22% greater than 1989. Special gifts from corporations and foundations brought an additional $20,000. The campaign, originally slated to close in July, was kept open because of slow returns from the civic and business sector, O'Brien noted, but substantial contributions from this group during July and August assured the success of the

an atmosphere of secrecy and denial", comments Nancy Mahoney, certified alcoholism counselor with the Marion Center Associates. "Everyone tries to pretend that everything's okay--which it isn't--so everyone gets very cut off from their feelings and no one talks about what's really happening. The journey of recovery is a journey out of secrecy and into feelings, trust, honesty, and sharing."

Ms. Mahoney adds that the awareness hour will be "a time to ask questions, to share, and to get some guidance and support around these issues."

This event is free of charge, although donations will be welcomed. All proceeds go to support the awareness hours.

Candidates will be required to provide documentation of their inability to take the examination on the scheduled date due to military service.

riety of antiques and collectibles to satisfy all tastes. The Friends of the Lakeville Public Library are especially grateful to Mrs. Simmons for helping them get the show off the ground.

In all, there are more than twenty dealers participating in the show. Among them are Gerry Pearle of the Purple Pigeon Studio in East Wareham, specializing in furniture, and Sue Mangione of Duxbury with early lighting fixtures, stoneware and woodenware. Sam and Jeannette Pierce of the 1830 House Antiques in Middleboro will be showing period furniture, paintings and clocks, while David Chamberlain of Hard Times Collectibles of Lakeville and Santa Cruz, CA has perhaps the most unusual item of the show, contemporary and antique marbles. And, our show wouldn't be complete without Florence Cornell of Lakeville, specializing in general antiques and dolls. The Friends would like to extend their special thanks to Mrs. Cornell for all her help.

Obviously, there'll be somethng for everyone at the Friends of the Lakeville Library Antiques Show and Sale, and probably some bargains that will be too hard to pass up. Plan to come and spend the day. Admission is $2.50 with discount tickets available at the Lakeville Library and at Lakeville area businesses. All proceeds from the show will go to benefit the library.

Country Music in Wareham

Two's Country and the Country Crowd will appear at the Wareham Town Hall at 7 p.m. Friday, October 5th, for a two hour performance. The program is sponsored by the Wesley United Methodist Church.

Originally known as "Two's Company", Betty and Jerry Caron of Sandwich started out as a duo. In 1982 they went to Nashville to cut a demo record. The late Pete Drake, famed steel guitar player who had played with many famed artists including the Beatles and Elvis Presley, was impressed and their original song, "Next Time You Break My Heart" was published under his auspices.

Betty had four nationwide singles in the top 100 in Cashbox in 1984, 1985 and 1986, and was nominated one of the top female vocalists by the Academy of Country Music. Jerry and Betty were voted top Country Duo by the Massachusetts Country Music Awards Association in 1983, 1986 and again in 1987. They expanded to a six piece group in 1985 which was so well received that they rarely appear as a twosome any more. They adopted the name "Two's Country and the Country Crowd" for obvious reasons.

The band, which plays mostly traditional country, consists of Lead, Steel, Drums, Bass, Jerry on Rhythm Guitar and Betty doing most of the vocal. Betty usually includes a wide variety of songs and receives many requests for such favorites as "Coal Miner's Daughter", "Waltz Across Texas", "Yodel Song", "Crazy", "If My Heart Had Windows", "One Day at a Time", and many more of the popular country tunes.

Earl Blaik, steel player, from Sagamore, has been with the band for 4 years. Before that he played with Bobby Gage and the Countriaires for many years. Scot McKin-

stry of Hyannis is lead. Before joining the group he lived and played for many well-known groups in the Worcester area. Many say a program would not be complete if Scot did not sing "A Mountain To Climb". Bass player Larry Flynn lives in Hanson. He has been in the music business for over 16 years, and played with numerous bands in the area. Larry receives many requests to sing "Margarita" and "Jambalya". As an added attraction for this performance, Gordon Bryden of Pocasset will be guest soloist. Gordon is well-known throughout this area and has received many awards. At a recent performance at the Scallop Festival he sang songs made popular by outstanding country artists, including Willie Nelson's "On the Road Again", Randy Travis' "On the Other Hand", and Hank Williams' "Cheating Heart".

Tickets will be on sale at the door the evening of the performance or may be obtained from members of the church. Tickets are $5.00 for adults and $2.50 for children. For additional information or tickets contact Steve Robbins at 295-0589.

Cultural Diversity AT SMU

"Celebrating Cultural Diversity", a week-long observance, October 1-5, will bring a former National League umpire, an American Book Award winner, a high school band, and a host of experts to Southeastern Massachusetts University in North Dartmouth. All events are open to the public.

Sociology Professor John E. Bush said organizers of the event hope the formal observance of cultural diversity will "forge a more cooperative experience among the various groups on campus and improve the quality of life."

While "the relationship among different groups is better at SMU than on other campuses", he said he believes better understanding of diverse races, religions, sexes and sexual orientations should always be encouraged.

J. California Cooper, winner of the 1989 American Book Award and the 1988 James Baldwin Award, will give the keynote speech at 7 p.m. October 1st in the Campus Center Main Auditorium. Admission, at the door is $3. general public, $2. senior citizens, and free to SMU students and personnel.

Cooper is the author of 17 plays and three collections of short stories: Homemade Love, Some Soul to Keep, and A Piece of Mine. Reviewers have praised her lectures and readings, calling her "a storyteller's storyteller, filled with vibrancy and spunk, ..."

A banquet at 7 p.m. October 4th will feature David Pallone,a former National league Umpire whose book Behind the Mask: My Double Life in Baseball presents his perspective as a vilified umpire and a gay living in the straight world of professional baseball.

Admission to the banquet, in the Residents' Dining Hall located behind the Campus Center, is $12. general public, $10. faculty, and $8. students. Tickets will be sold at the door.

Q. **Is it true that some contact lenses can be worn for 30 days without removing them?**

A. Extended-wear contact lenses have been approved by the U.S. Food and Drug Administration for up to 30 days of continuous wear but, in actual practice, wearing time between removals for cleaning generally varies from a few days to a week.

Wearing problems can develop with dirty lenses. Don't be discouraged from trying extended-wear lenses, however.

With professional monitoring by an optometrist using a special microscope, many people have good success with them. The key is to start with a thorough eye examination by an optometrist skilled in prescribing extended-wear lenses and to return for recommended follow-up care.

That may mean visits to your optometrist three or four times a year. Such frequency is necessary to avoid wearing problems. At the same time, your eye health and vision can be monitored.

Healthy Food Choices

Are you confused by the wide array of products when grocery shopping each week?

Nancy Greene, RD, dietitian at Tobey Hospital, will help you learn to make informed and healthy food choices at a program, "Navigating the Supermarket: Reading the Labels for Good Nutrition". The free lecture will be on Wednesday, October 3rd, from 7 to 9 p.m. at the Mattapoisett Town Hall.

Food labels can often be confusing or misleading, notes Ms. Greene. For instance, a label may state there is "no cholesterol" in a product, but it might have a high content of saturated fat, which studies have shown promotes cholesterol build-up. The dietitian will outline how to analyze products for cholesterol, fat, sodium and nutrient content, and will discuss what are the healthiest food choices to make when shopping.

The program is open to the public and no registration is required.

This health lecture is one of a year-long series to celebrate the 50th anniversary of Tobey Hospital.

Seashell Walk

The Lloyd Center is offering a guided Seashell Walk along one of South Dartmouth's splendid beaches on Sunday, September 30th, from 10:00 a.m. to 12:00 noon. The walk will be led by Dennis Vieira, a Lloyd Center volunteer who will identify, explain and interpret local seashells as you stroll along one of South Dartmouth's pristine beaches.

The Lloyd Center will provide "environmentally friendly" seashell collection containers for all participants. The Seashell Walk is open to the public, and all are welcome and encouraged to come along to learn about and enjoy South Dartmouth's seashells and early autumn weather. Fees are $5.00 for adults, $3.00 for members and $1.00 for children under 12.

For more information contact the Lloyd Center for Environment Studies at 990-0505 Tuesday through Saturday, 9:00 a.m. to 5:00 p.m., telephone 990-0505.

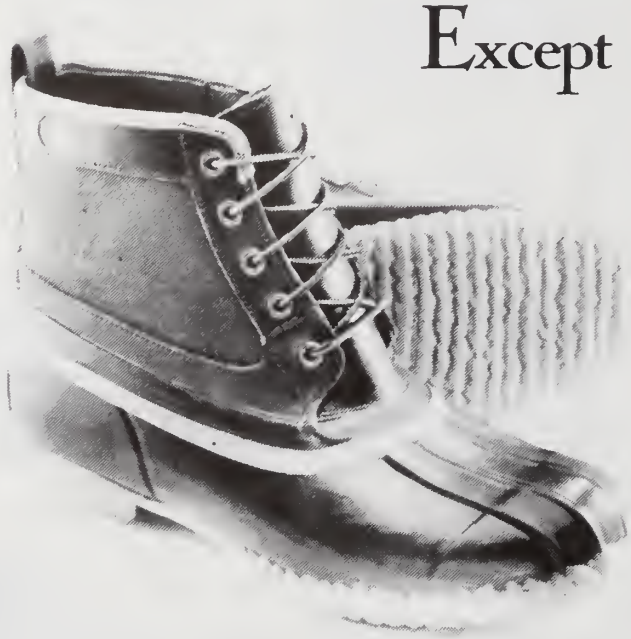
Water, water everywhere.

Except here.



On an earth that's 70% water, it's nice to know River Boots are 100% waterproof. Unlike traditional rubber bottom boots, their uppers are permanently bonded (not stitched) to the rubber outsoles, and they feature á moisture-wick comfort lining to keep your feet dry and comfortable.

Lace or pull-on, as shown ...

Riverboots in styles for men and women.

They pick up where roads leave off.

Where other boots reach the end of their road, Lightweight Hikers keep right on going. Thanks to their Suede/Nylon uppers, full rubber mudguards, and removable, double-density EVA innersoles. Lightweight. Comfortable. Durable. Every hiker should pick up a pair. These for women, but we have Lightweight hikers for men, too.
